

# CYBERHACKER TRIVIA CHALLENGE

This ground-breaking, **Cyberhacker Trivia Challenge** keeps participants on the edge of their seats with lots of high-tech hijinks and laughs. It's interactive, full of magical surprises, informative, and best of all, it's customized to you.

Your multi-talented host plays Digita, North America's Most Infamous Cyberhacker. Along with her DJ sidekick, Digita tests your cybersecurity knowledge in 3 big game show rounds. This super interactive program includes cutting edge magic, high-tech sound effects and comedy.

Get ready for some fast-paced trivia fun, teambuilding and surprises!

## PROGRAM INCLUDES:

- **WELCOME:** The program opens with a high-energy welcome from "North America's Most Infamous Cyber hackers", building excitement for three big rounds of high tech fun.
- **ROUND ONE: "The Cyber Hacks Facts Trivia Challenge"** After hearing the questions and possible multiple choice answers, participants "raise their hands" to be brought on stage to test the circuit boards of their brains.
- **ROUND TWO: "Guess The Password"** In this word association game, a contestant is given one-word hints to help them guess the 'magic word' that the hosts are holding in their minds.
- **ROUND THREE: "The Cyber Master Game"** Players take on a persona (Cyber Agent, Hacker or Target) and do some sleuthing privately in the chat, to identify and expose their opponents, in this fun game of chance. Who will be crowned the Cyber Master?
- **LIGHTENING ROUND FINALE: "The Ultimate Winner"** The two participants who won the most points square off in a series of rapid fire trivia questions with a time limit.
- **PROGRAM ALSO INCLUDES:** Magical injections, game show sound effects, music and new ways to network!
