

# "SPEAK UP!" AMP UP YOUR SPEAKER SKILLS TODAY

## YOUR VOICE MATTERS

**"Speak Up!"** is a hands-on, experiential workshop designed to amp up your team's speaking and presentation skills in a fun-filled, gamified, session (1 hr - 4 hrs).

Whether the goal is to become a more effective presenter, team meeting facilitator or more active contributor, this session is for your people.

## HOW IT WORKS

- Your employees come to the session in pre-selected teams of up to 8 people, ready to engage.
- Our two, professional facilitators kick off the session with Ice-Breaker Games to amp up your team's improvisational skills.
- Working in teams, employees practice Presentation Dos & Don'ts designed to level up their speaking skills; from building influence, to body language, to voice projection, to using effective eye contact.
- Together, we'll experiment with cutting-edge presentation tools to help make your team's speaker materials pop. Say goodbye to death by PowerPoint!

## BENEFITS

- Amps up your team's speaking and facilitation skills
- Employees become more confident contributors in team meetings
- Participants gain experience with impromptu speaking
- Everyone receives complimentary Presentation Dos and Don'ts eBook.
- Two polished facilitators utilize their entertainment backgrounds for maximum engagement

## USE CASES
