

TV Show Special

Picture the bright lights, the laughs and the variety of a daytime TV show, then, picture it customized to your employees. Think Steven Colbert meets SNL.

As hosts, we'll bring the talk show format to life and keep the audience on the edge of their seats. As writers, we'll custom-create several dynamic segments that celebrate your company's achievements, aspirations and community, all while spreading holiday cheer.

Segments Options:

- **OPENING WELCOME:** Hosts welcome viewers with a custom song written especially for you.
- **CEO SPOTLIGHT “Year in Review”:** Your company's CEO or senior leader hits the stage and rounds up the milestone wins of the year.
- **DEI TRIVIA GAME:** An engaging, interactive guessing game celebrating holiday culture, food and music from around the world.
- **FUNNIEST HOME VIDEOS:** Employees take a poll to crown winners in 3 fun contests e.g.: *"Ugly Sweater Contest"*, *"Fun Pet Tricks"*, *"Funniest Vacation Story"*.
- **EMPLOYEE SPOTLIGHT PANEL:** Hosts interview "celebrity" employees about their contributions to the organization, a la Steven Colbert. Everyone's a star!
- **COMEDY MAGIC SET:** Interactive custom magic and astonishing mind reading.
- **CELEBRITY IMPERSONATIONS:** Cher or Celine Dion performs a holiday song in the style of musical satire.
- **VIDEO COMPILATION FINALE:** A festive collage of employee-submitted video clips, lip syncing to an upbeat holiday song. A great keepsake!
